## Message from the President & CEO

First, we want to congratulate Danny Massey who has been selected Superintendent of the Year. This is a well-deserved award. Danny has served on the Board of Directors for several years and now serves on our Executive Committee and is Vice Chairman over the Organizational Division. He is also Chairman Elect for 2021.

The Brazosport Area Chamber of Commerce has continued to keep our membership informed on State, County and City issues concerning Covid 19. We have distributed signs that state "Open for Business and Shop Local. Thank you to Dow for sponsoring these signs. Pictures were taken with the owners/managers and included on our website and Facebook page and some have been included in the Facts Business Journal. These pictures also included information on the company and any promotions they may be having.

Now, there is another great benefit of being a member of the Brazosport Chamber. We recently e-mailed a flyer to our members stating "Let us help you advertise". We ask if they would like to place an ad in our new advertisement newsletter free of charge. These would be ¼ page ad and would be distributed through email, social media and the Chamber website. The response has been great. If you are a member please take advantage of this opportunity. There will be as many editions as needed to get all the ads in. It is a first come, first serve basis. If you have questions please call the Chamber at 979-285-2505.

Speaking of what Chambers do. No other organization represents the business community like a Chamber of Commerce. No other brand is recognized across the globe as an organization fighting for its business community. Also, no other group balances the needs of the business community with the needs of the general community like a Chamber of Commerce. We are in contact with our local, state and federal leaders to bring you the latest information. Chambers, like your business, are trying to navigate through this complicated and unique situation we all find ourselves in. For 75 years, the Brazosport Area Chamber has served the Brazosport Area doing what we do for you and your business in helping you thrive and grow in a growing economy. As they say, this too will pass and hopefully soon. In the meantime, please know that the Brazosport Chamber is doing everything we can for our members to keep you informed and to help promote your business.

  
Sandra Shaw, IOM  
President & CEO
