Why Shop LOCALLY?

1

LOCAL ECONOMIC STIMULUS

When you shop at local businesses, more money is kept in the community because locally-owned businesses often purchase from other local businesses, service providers and farms.

2

LOCAL BUSINESS OWNERS INVEST IN COMMUNITY

People who own local businesses live in the community their business is in & are generally invested in the welfare & future of their community.

3

PERSONAL CONNECTION

When you shop locally, you get to know the business owners & business owners get to know their customers. Relationship building cultivates relationships & fosters community.

4

LOCALLY-MADE PRODUCTS

Local business owners often sell local products, which helps preserve the community's identity and also creates more jobs locally.

5

SUPPORT FUTURE GROWTH

Shopping locally is one of the best ways to show pride in the place you live and help protect the businesses that make your city or town unique.

4 Ways to Respond

1. Secure Internet

New and Quick, Respond Online.

It's safe, secure and confidential. Your information and privacy are protected. It's economical both for you and for the taxpayers. It's greener saving trees and it's user friendly—offering you help screens and the ability to review your answers.

2. Respond by Phone

Our enumerators are ready to take your information question by question from the convenience of your phone from any location.

3. Respond by Mail

Wait until you receive your paper form through the mail or dropped at your residence. It can be filled out at home and dropped into your mailbox or post office.

4. In-person Interview

Our enumerators will visit residences that choose not to self respond.

Protonomers are not trade-protected compounds and therefore should be accessible to all countries. A first worldwide patent of \$1,000,000 issued at a US court with a US office patent would require all existing patents in 1991. Protonomers/Protonomers are not ready to start and create change. The first patent should be available to all countries. Others are subject to change and will be used only for marketing purposes only. Others may not be applicable to all countries or to all states. Contact your local Protonomers Association for details.

The Facts
COMMUNITY NEWS MATTERS

• The Facts is establishing a \$250,000 set-aside match target to assist local businesses during the COVID-19 crisis-related window of businesses in July 2020.

• Open to locally owned and operated businesses impacted by COVID-19. Applications accepted online.

• Programs begin at \$250 minimum of matching funds used each month (May, June and July 2020).

• The matching funds are valid only within the terms of the agreement and designated window. The applicant must be in good credit standing with The Facts.

• Full program details available at thefacts.com.
