BREAK FROM THE

Travel Norm

PURPOSE

At Staybridge Suites®, we're at the heart of a movement.

We exist to help guests conquer the rat race and live the life they believe in, even while on the road. A traditional hotel doesn't always cut it and we know that when traveling for days, weeks, or even months at a time, it's the little (and big) things you can't fit into a suitcase that truly matter. It's our simple mission to provide guests something different. Distinct. More space, a greater sense of community, and added flexibility that turns a once typical stay into an experience that feels inviting from the very start.

CUSTOMER THE EXPERIENCED TRAVELER

We serve the Experienced Traveler, who thrives off of travel and seeks specific experiences and accommodations that enable their ability to unlock new relationships, opportunities, and victories. While others seek work/life separation, the Experienced Traveler crafts a continual work/life blur, reveling in professional achievement while also looking for occasions to carve out me-time and opportunities to connect with others. Aged 25-44, they're nearly 50/50 male/female, and earn between \$100-\$150k annually.

utmb Health

While everyone has been staying home to stay safe, UTMB Health is open and available for you. Whether you need routine health care or have an unexpected health care crisis, UTMB Health is here to help. Our emergency and primary care providers are ready to meet your needs—safely, comfortably and conveniently.

Emergency Care.

Our emergency room is available 24 hours a Day, 7 days a week.

Essential Care.

Our UTMB Health primary care clinics provide care for you and your family including preventive care, minor illnesses and injuries, chronic conditions and can help coordinate your care with our UTMB specialists when you need complex care.

As always, we at UTMB are available 24 hours a day, 7 days a week. **Call our Access Center today at (800) 917-8906 to speak to a triage nurse or schedule an appointment.**

As always, your health and well-being are our top priority.

**Caring for You.
Always.**
