NORTH STAR WATER FILTRATION SYSTEM Part No.: NSWHCW

NORTH STAR ECOPURE CENTRAL WATER SYSTEM
Where other systems stop, the EcoPure Central Water System keeps on going: delivering clean and delicious filtered water to your entire home. Not just at your kitchen Faucet!

- Produces High Quality, Great Tasting Water
Every faucet throughout your home will produce clean, delicious water, without sacrificing water pressure.
- Wallet & Eco-Friendly
No more buying or lifting those heavy cases of bottled water or recycling all those empties.
- Removes Chlorine Taste & Odor
Your home won't smell like chlorine or other chemicals. Plus, this filter will reduce the harmful effects from these chemicals to your eyes, hair, skin, fabrics, pets, and your environment.
- Automatically Self-Cleaning
No filters to change — ever! And nothing else that you'll need to clean. The Clean Rinse Cycle automatically lifts and expands the media bed to rejuvenate the media and flush dirt and sediment down the drain. Then, it repacks the bed for continued use.
- LED Indicator Light
Convenient notification alerts you when the system is filtering.
- NSF
The estimated useful life of this system is over 10 years based on rated capacity of 570,000 gallons.
- Includes Bypass Valve & Installation Kit

**Your surprisingly
great rate awaits.**

Michael Hebert
979-308-4576
recruiter-casa@sbcglobal.net
www.casa-mw.org/volunteer

Gulf Coast CASA

What does a Volunteer Advocate do?

A volunteer advocate is appointed by the judge to advocate for the child. Volunteers are individuals from all walks of life that get to know the child and their family to advocate for their safety, permanency, and well-being while in foster care.

Make a difference in a child's life as a volunteer advocate. Call or Email today!
