Presenting Sponsor

Exciting Virtual Opportunity December 1, 2021 – May 31, 2022!
Open to all Brazoria County students 6th-12th Grade.

Why JA Inspire Virtual Career Exploration Fair? Students will begin their exploration with mostly abstract notions and will end up focused and activated, with real insights on what industries interest them, what specific jobs are like, and what education is required to do them successfully. Not all students receive career mentorship at home. For businesses, this is a chance to give back to local youth and build your future workforce.

- Interactive showcase of careers
- Customizable exhibitor booths will allow sponsors to feature downloadable career information, photos, internships and on-the-job videos

CHANGE YOUR CHANNEL

Move cargo more efficiently. Scale operations for future growth.

Big changes are happening here. Freeport Harbor Channel – already the shortest on the Texas Gulf – will soon be the deepest channel in the state. Larger vessels will be moving through our port than ever before and we'll be ready for them with new berths and modern cranes. Best of all, we have over 500 acres of adjacent land ready for development.

See the big picture. It's time to change your channel.
