## GROW YOUR BUSINESS WITH US

Looking to grow your business? Look no further! The Bulletin is a weekly publication distributed in Brazoria County every Tuesday. We are a free publication that informs and entertains you with each issue.

The Bulletin is the only free publication in our area with a national newswires service, a cartoon service, independent features as well as local news, photos, and community events.

Our paper can also be viewed online for free and we send our paper to our digital subscribers weekly. We are a weekly newspaper, so when you advertise with us, your business stays visible all week.

Your ads are surrounded by interesting stories and features that keep readers on the page. This increases the period of time your advertisement is viewed by readers.

## CHANGE YOUR CHANNEL

Move cargo more efficiently. Scale operations for future growth.

Big changes are happening here. Freeport Harbor Channel – already the shortest on the Texas Gulf – will soon be the deepest channel in the state. Larger vessels will be moving through our port than ever before and we'll be ready for them with new berths and modern cranes. Best of all, we have over 500 acres of adjacent land ready for development.

See the big picture. It's time to change your channel.

Visit our website or schedule a tour today.
