## GROW YOUR BUSINESS WITH US

Looking to grow your business? Look no further! The Bulletin is a weekly publication distributed in Brazoria County every Tuesday. We are a free publication that informs and entertains you with each issue.

The Bulletin is the only free publication in our area with a national newswires service, a cartoon service, independent features as well as local news, photos, and community events.

Our paper can also be viewed online for free and we send our paper to our digital subscribers weekly. We are a weekly newspaper, so when you advertise with us, your business stays visible all week.

Your ads are surrounded by interesting stories and features that keep readers on the page. This increases the period of time your advertisement is viewed by readers.

## ABOUT US

### WHO IS THE BULLETIN?

John and his wife Sharon started The Bulletin. After twelve years with The Chronicle, John resigned. The Bulletin's first issue appeared on July 4, 1994.

John and Sharon are the publishers and owners. Their daughter Stephanie joined on in 2019. The Bulletin is truly a family-oriented business.

## Beacon of Hope Campaign

Children are suffering. Before the pandemic, Feeding America reported that 41,090 people living in Brazoria County were food insecure, including thousands of children.

Since 2007, Brazoria County Dream Center (BCDC) has been a **BEACON OF HOPE** for our neighbors facing food insecurity and other life challenges. Ongoing programs such as the **Dream Pantry and Backpack Buddies** help alleviate some of the daily anxieties faced by local families.

### Family Hunger

Earlier this year, the Dream Pantry served 1,300 individuals per month. **This July, the Pantry served 1,900 people.** BCDC makes a difference for families who are struggling.

### Senior Hunger

The Dream Pantry provides senior deliveries to those who are 70 yrs. and old who have no transportation but can live independently. **BCDC provides 60 lbs of food to 117 individuals every 2 weeks**

### Child Hunger

Backpack Buddies program provides nutritional food to fill the weekend hunger gap to children in 30 schools within 6 School Districts. **Last year, 534 children received over 155,000 meals.**

To continue serving our neighbors in need, your **HELP** is absolutely essential.

Can we count on your support?

## Specialty Programs Designed for You

**The Fairway Advantage® Pre-Approval\*** is an actual loan approval from a Fairway underwriter provided before the borrower even begins their home search and is subject only to property-specific conditions.

**Lock, Shop and Go\*\*** is a program that allows borrowers to secure their interest rate for 90 days for no additional fee while they shop for a home.

**The Fairway Cash Guarantee™\*\*** is a program that gives the seller peace of mind knowing that even if the buyer's financing falls through, their home will either be sold to Fairway directly or they will receive \$10,000 to terminate the sale.

\*Fairway Advantage pre-approval is based on a full review of the borrower's creditworthiness and is contingent upon there being no material changes in the borrower's financial condition or creditworthiness at the time of final loan approval. Final loan approval is subject to the following conditions: (1) borrower has identified a suitable property, and a valid appraisal supports the proposed loan amount; (2) a valid title insurance binder has been issued; and (3) borrower selects a mortgage program and locks in an interest rate that will support the pre-approved monthly payment amount. Loan must close before the expiration date provided in the preapproval. Offer not available on bond, or USDA loans. Please note that submitting verifying documentation is not a requirement to receive an estimate of closing costs associated with a mortgage loan. \*\*The Lock, Shop, and Go Program is for purchase transactions. It provides borrowers with an initial lock with a rate adjustment for a period of up to 90 days while they look for a property to purchase. Rate adjustments are subject to change based on market conditions. There is no up-front fee requirement. The initial lock will be converted to a final lock within 3 days of entering into a fully executed purchase contract with an option to a one-time float-down option at that time. Eligible products are Conventional fixed rate - Fannie Mae and Freddie Mac direct, and government fixed rate - Ginnie Mae direct. Not eligible for renovation and ARM loan products. If the Initial Lock price is better than the current market interest rate while comparing the 60 day price the Initial Lock interest rate will remain valid for a lock period of up to 60 days. Terms and conditions apply. Speak with a Fairway Independent Mortgage Corporation loan officer for additional details. Copyright©2022 Fairway Independent Mortgage Corporation. NMLS#2289, 4750 S. ## CHANGE YOUR CHANNEL

Move cargo more efficiently. Scale operations for future growth.

Big changes are happening here. Freeport Harbor Channel – already the shortest on the Texas Gulf – will soon be the deepest channel in the state. Larger vessels will be moving through our port than ever before and we'll be ready for them with new berths and modern cranes. Best of all, we have over 500 acres of adjacent land ready for development.

See the big picture. It's time to change your channel.
