GROW YOUR BUSINESS WITH US

Looking to grow your business? Look no further! The Bulletin is a weekly publication distributed in Brazoria County every Tuesday. We are a free publication that informs and entertains you with each issue.

The Bulletin is the only free publication in our area with a national newswires service, a cartoon service, independent features as well as local news, photos, and community events.

Our paper can also be viewed online for free and we send our paper to our digital subscribers weekly. We are a weekly newspaper, so when you advertise with us, your business stays visible all week.

See What IMG Customers Have to Say!

Michael S.

"I am very grateful for Amy Condon and her team at IMG. My home buying experience was quick and easy. I had always heard that purchasing a home was very stressful so I was nervous going into the process, but was beyond happy with how it went. I will forever recommend Amy and Integrity Mortgage to all of my friends and family."

Beacon of Hope Campaign

Children are suffering. Before the pandemic, Feeding America reported that 41,090 people living in Brazoria County were food insecure, including thousands of children.

Since 2007, Brazoria County Dream Center (BCDC) has been a **BEACON OF HOPE** for our neighbors facing food insecurity and other life challenges. Ongoing programs such as the **Dream Pantry and Backpack Buddies** help alleviate some of the daily anxieties faced by local families.

Family Hunger

Earlier this year, the Dream Pantry served 1,300 individuals per month. **This July, the Pantry served 1,900 people.** BCDC makes a difference for families who are struggling.

Senior Hunger

The Dream Pantry provides senior deliveries to those who are 70 yrs. and old who have no transportation but can live independently. **BCDC provides 60 lbs of food to 117 individuals every 2 weeks**

Child Hunger

Backpack Buddies program provides nutritional food to fill the weekend hunger gap to children in 30 schools within 6 School Districts. **Last year, 534 children received over 155,000 meals.**

To continue serving our neighbors in need, your **HELP** is absolutely essential.

Can we count on your support?

CHANGE YOUR CHANNEL

Move cargo more efficiently. Scale operations for future growth.

Big changes are happening here. Freeport Harbor Channel – already the shortest on the Texas Gulf – will soon be the deepest channel in the state. Larger vessels will be moving through our port than ever before and we'll be ready for them with new berths and modern cranes. Best of all, we have over 500 acres of adjacent land ready for development.

See the big picture. It's time to change your channel.
