Beacon of Hope Campaign

Children are suffering. Before the pandemic, Feeding America reported that 41,090 people living in Brazoria County were food insecure, including thousands of children.

Since 2007, Brazoria County Dream Center (BCDC) has been a **BEACON OF HOPE** for our neighbors facing food insecurity and other life challenges. Ongoing programs such as the **Dream Pantry and Backpack Buddies** help alleviate some of the daily anxieties faced by local families.

Family Hunger

Earlier this year, the Dream Pantry served 1,300 individuals per month. **This July, the Pantry served 1,900 people.** BCDC makes a difference for families who are struggling.

Senior Hunger

The Dream Pantry provides senior deliveries to those who are 70 yrs. and old who have no transportation but can live independently. BCDC provides 60 lbs of food to 117 individuals every 2 weeks

Child Hunger

Backpack Buddies program provides nutritional food to fill the weekend hunger gap to children in 30 schools within 6 School Districts. Last year, 534 children received over 155,000 meals.

To continue serving our neighbors in need, your **HELP** is absolutely essential.

Can we count on your support?

Junior Achievement | JA Inspire VIRTUAL

When our young people know where they're going, we all advance.

Exciting Virtual Opportunity December 1, 2022– May 31, 2023!
Open to all Brazoria County students 6th-12th Grade.

Why JA Inspire Virtual Career Exploration Fair? Students will begin their exploration with mostly abstract notions and will end up focused and activated, with real insights on what industries interest them, what specific jobs are like, and what education is required to do them successfully. Not all students receive career mentorship at home. For businesses, this is a chance to give back to local youth and build your future workforce.

- Interactive showcase of careers
- Customizable exhibitor booths will allow sponsors to feature downloadable career information, photos, internships and on-the-job videos

CHANGE YOUR CHANNEL

Move cargo more efficiently. Scale operations for future growth.

Big changes are happening here. Freeport Harbor Channel – already the shortest on the Texas Gulf – will soon be the deepest channel in the state. Larger vessels will be moving through our port than ever before and we'll be ready for them with new berths and modern cranes. Best of all, we have over 500 acres of adjacent land ready for development.

See the big picture. It's time to change your channel.
