WHAT: Fall Fundraising Dinner

Gourmet Farm-to-table Cuisine Prepared by The Local

WHEN: Saturday, November 11, 6:00 pm

WHERE: Doris Williams Civic Center

WHY: To raise awareness and funds to help feed those with food insecurity with healthy, fresh food and provide nutrition education to adults, children, and the community.

HOW: Sponsorships, ticket sales, live and silent auctions

The mission of the organization is to provide healthy farm-to-table food to those in need through production, education, and research. The Harvest for the Hungry vision is to partner the need for wholesome food with an interactive and educational visit to the farm. Those in need and those who simply want to join our mission as volunteers can harvest fruits, vegetables, eggs, fish, and other healthy foods themselves while learning about food sources and their nutritional value. We share how to prepare healthy food from each harvest during special programs. Our goal is to offer an experiential visit that allows for agriculture and nutritional education and empowerment.

CHANGE YOUR CHANNEL

Move cargo more efficiently. Scale operations for future growth.

Big changes are happening here. Freeport Harbor Channel – already the shortest on the Texas Gulf – will soon be the deepest channel in the state. Larger vessels will be moving through our port than ever before and we'll be ready for them with new berths and modern cranes. Best of all, we have over 500 acres of adjacent land ready for development.

See the big picture. It's time to change your channel.
