Uncertainty is just the flip side of opportunity

The markets are inherently volatile. It's in their nature, whether in response to world events, rising inflation, or a change in interest rates. But sometimes that volatility can work to your advantage.

Reviewing your investment strategy and altering it, if necessary, can help you weather economic uncertainty and keep you on track to achieving your objectives.

Contact me today. I can help keep your goals in focus, no matter what mood the markets are in.

CHANGE YOUR CHANNEL

Move cargo more efficiently. Scale operations for future growth.

Big changes are happening here. Freeport Harbor Channel – already the shortest on the Texas Gulf – will soon be the deepest channel in the state. Larger vessels will be moving through our port than ever before and we'll be ready for them with new berths and modern cranes. Best of all, we have over 500 acres of adjacent land ready for development.

See the big picture. It's time to change your channel.

Originally chartered by a handful of employees in 1965 as Stewart & Stevenson Credit Union, Space City Credit Union has grown to over \$150M in assets and serves members who live and work in Harris and Brazoria Counties. Companies such as Stewart & Stevenson, GE, INEOS, Solvay, McCall Group, Rex Supply, Houston Housing Authority, Houston Professional Musicians Association, Brazoria ISD, and more. If you work for one of our member companies or you live or work in Harris or Brazoria Counties, you are eligible for membership.

We are NOT a bank. We are a local "501c co-op financial organization", we are owned by you, our members, and run by our member-elected and volunteer board of directors. All profits are
