# Volunteer with Junior Achievement

## In the Classroom

Volunteer and teacher coordinate a start date and time, usually 1 visit a week. There are 5 sessions that are 30-45 minutes long. We provide training and all materials. No education background is needed and teachers remain in classroom the entire time. We offer programs k-12 at all campuses in the county. Background checks are required for most districts. **Some companies offer paid time to volunteer.**

## Event Committee

Help plan events like Celebrity Waiter by seeking table sponsors and auction items or Who's Who Golf Tournament by seeking hole sponsors and goodie bag items. These committees meet during lunch hours to plan..

## CHANGE YOUR CHANNEL

Move cargo more efficiently. Scale operations for future growth.

Big changes are happening here. Freeport Harbor Channel – already the shortest on the Texas Gulf – will soon be the deepest channel in the state. Larger vessels will be moving through our port than ever before and we'll be ready for them with new berths and modern cranes. Best of all, we have over 500 acres of adjacent land ready for development.

See the big picture. It's time to change your channel.

## Uncertainty is just the flip side of opportunity

The markets are inherently volatile. It's in their nature, whether in response to world events, rising inflation, or a change in interest rates. But sometimes that volatility can work to your advantage.

Reviewing your investment strategy and altering it, if necessary, can help you weather economic uncertainty and keep you on track to achieving your objectives.

Contact me today. I can help keep your goals in focus, no matter what mood the markets are in.
